

## September 2017

Welcome to the Bumblebee Room! We hope you had a wonderful summer.

Each month we will be learning about various themes based on the letters of the alphabet. For the month of September our themes will be Bumblebees and My 5 Senses. The first two weeks, we will be learning about the Bumblebee routine and expectations in the classroom, play areas, clean up time, and lining up. The next two weeks will focus on creating our classroom community by making our Friends and Family Board, and using our 5 Senses through activities based on touch, sight, smell, hearing, and taste. We will also be introducing the Feeling Buddies Curriculum to the children. This curriculum focuses on helping the children to become familiar with the buddies and their own feelings.

Here are some key reminders:

- Sign your child in and out each day on our clipboard.
- Please feed your child before class, as snack is available only when donated.
- Please email me at [ltodd@cdccasper.org](mailto:ltodd@cdccasper.org) if you have any questions or concerns.

We look forward to working with you and your child!!

Lauren, Tamara, Mandi, & Melanie
