

September 2017

Dear Fish Families,

We are excited to get started with our new school year. We look forward to learning and growing with all of our families and new little friends.

CDC is working hard on going green! In an effort to make that possible, we are trying to have communication go online as much as possible; to include items like weekly notes and classroom newsletters. STAY CONNECTED to all the happenings at CDC. Visit cdccasper.org/parents to sign up for classroom newsletters by email, download the CDC calendar, find resources like the Parent Handbook, and much more! We do not share your information with any company outside of CDC. Please help us with this initiative! Just think of it as less paper to clean out of backpacks or strewn about the inside of the car! 😊

In our classroom, we have a family board. For this board, we will display the family collage that you have created with your child. Thanks in advance for helping your child create a little something from home to make our classroom more "homelike"!

Please be respectful of drop off and pick up times. Teachers have meetings before, after and in-between classes and it helps us when all of our children have been picked up on time. We understand that sometimes things happen and you may run late. If this happens, please give the front desk a call to let us know you are running late. Thanks for your help with this.

Thank you for sharing your child with us this year.

Special Announcements

Please remember during these warm and sunny days of fall to please put sunscreen on your child before bringing them to school. We are not allowed to apply it for them. Thanks in advance!

Please remember to sign in and out your child both up front on the computer and in the classroom.

Home Activities

- ❖ Read 20 minutes a day with your child.
- ❖ Play color matching or identifying games like Candy Land.
- ❖ Go for a nature walk with your child and talk about the changing colors.

Important Dates
