September 2017

Dear Families:

Welcome to the Frog Classroom! We are looking forward to working with your child and getting to know all of you as the year progresses. Please make sure you take time to read and complete the many papers that will be sent home as part of the start of school. Your prompt responses and return of paperwork provides us with valuable information to best serve your child. Let us know if you have questions or might need assistance.

We will use themes throughout the year to support our curriculum. We will use related books, literacy and math activities, crafts, science and play materials to support the learning of foundational preschool skills. These first few weeks of school we will focus on creating and building our school family. Extra time will be spent on making friends, learning the rules and routine and helping your child feel comfortable, connected and safe in the classroom.

Our beginning themes will introduce the letter **F-f** for frogs and family, **A-a** and **T-t** with a focus on apples and trees.

We strive for weekly communication with families and do this through the monthly Newsletter or "Weekly Progress Reports" that will go home most weeks. STAY CONNECTED to all the happenings at CDC. Visit cdccasper.org/parents to sign up for classroom newsletters by email, download the CDC calendar, find resources like the Parent Handbook, and much more!
