September 2017

Dear Families,

Welcome Back! We hope you had a fabulous summer! Now we are ready to kick start the year!

In the Kitten Room, we love to learn and try new things! This year we will be rocking in our school shoes, just like our friend Pete the Cat, and having fun! We are so excited to meet your kiddos and learn all about them.

This month we will be learning about our school, our classroom, and building our Kitten Room family. We will focus on learning classroom rules, the daily routine, classroom centers, and creating fun artwork. We will begin the month by expressing ourselves and talking All About Me. Next the children will be learning about our classroom animal, the kitten. We will create art work and read books about Pete the Cat too! To close out September we will be learning about Brown Bear Brown Bear. Your child will be learning about colors, sorting, and matching in activities that go along with our theme.

The transition into preschool can be overwhelming at first, but soon our Kittens will be more comfortable in the classroom. We are looking forward to building a relationship with your child and helping them grow!

Each month we focus on a certain color and shape. This month we are learning about the color orange and squares. Look for this shape and color when you are out and about!
