

# LADY BUG CLASS NEWS

www.cdccasper.org 307.235.5097

## SEPTEMBER

Dear Families:

Welcome to the Ladybug Room! We are very excited to get to know your child and watch him/her grow over the next school year. Every full week of school your child attends, you will be receiving a weekly communication form from the teaching team to keep you updated on your child and what is going on in the classroom. If you would like to speak to me individually please contact me at **235-5097**, by email at [lwalters@cdccasper.org](mailto:lwalters@cdccasper.org), or message me through the Remind app.

A huge **'Thank You'** to those of you that provided school supplies for our classroom. You are amazing and we greatly appreciate your support. There may be times throughout the year that we may request additional materials. Also, thank you in advance for respecting our **'drop-off'** and **'pick-up'** times. This helps keep the parking lot less congested and allows for the teachers to prepare for the following class and attend required meetings.

Every month we will be concentrating on a color and shape of the month. Each newsletter will inform you of the shape and color. At the beginning of the month we will be decorating the shape with items of the color of the month, and will wear the color of the month on the last day of class.

Many parents enjoy bringing special treats for the class when celebrating their child's birthday or during different classroom parties we have throughout the year. Please make sure that the treats brought to class are store bought and in the original container. It is CDC policy that we cannot have 'homemade' treats. If you have any questions, please feel free to speak with one of us in the classroom.

Thank you for sharing your child with us!  
Lori, Amanda, and Ashley

### Special Announcements
