## SEPTEMBER

Dear Families,

Welcome to the Panda room. We are very excited about getting to know each other and to begin building friendships within the classroom. Our Pandas will start to work into a routine and begin to make sense of the preschool setting. The transition into preschool/a new classroom can be scary at first, but soon our Pandas will become more comfortable and feel at home in the classroom. We look forward to getting to know you and your child!

This year we have a lot of work to do. We will immediately start working on feelings, sharing, and working on building our school family. We will focus on our classroom rules, learning the routine, using school supplies, and creating fun artwork. The letters we will focus on are A, S & L. The color and shape of the month are Yellow & Star.

We also send home an activity idea calendar and many fun activities for families to share and have fun with. Please do not feel as if you are required to do these activities and send them back. They are simply a way to tie school activities in at home.

A huge **'Thank You'** to those of you who provided school supplies for our classroom. You are so wonderful and we greatly appreciate your support. Also, **thank you** for respecting our **'drop-off'** and **'pick-up'** times as the parking lot can get very congested at these times.

Thank you for sharing your child with us. We hope you have a great month!

Sincerely,

Morgan and Kaila
