Dear Parents/Guardians,

Welcome to the Puppy Room! We are excited to get to know you and your child. We are spending the first three weeks of school getting to know the classroom centers, rules and routines. After we get to know the classroom we are going to take three weeks and learn all about colors and shapes. We have a lot of fun hands-on activities planned.

We are asking families to help provide snack for the kids. There was a letter sent home with the welcome back letter that had some ideas of the snacks we like. If you need another copy of the letter please let me know. We appreciate all you as parents do to help support us and your children.

If you have not returned your child's paper work please fill it out and return to the classroom teachers as soon as possible. If you have any questions about the paperwork please ask.

Please remember that drop off is between 8:30 to 9:00 as well as 12:30 to 1:00. The door will not be unlocked until 8:30 and 12:30. Pick up times are 11:00-11:15 as well as 3:00-3:15. These times are made to accommodate the elementary school and try to make these routines as smooth as possible. Please help your child wash their hands before you leave. This is a great time to begin to say goodbyes. We love to have siblings visit during pick up and drop off time; we just ask if they could wash their hands if they are going to touch toys.

Please remember to take your child's weekly folder on Tuesday and have it returned by Thursday.

Thank you,

Michole, Sara and Bridget
