

What a great start to the year! We are already seeing progress from the children and the staff is working hard with the children every day!

We are starting October out with a “Show and Tell” from every student to finish out our All About Me theme. We can’t wait to see what the children will bring. Then we will transition into Apples, Fall and Halloween themes to round out the month.

On October 31st be ready to Trick/Trunk or Treat!! Wear your costumes and practice saying “thank you”. If you would like to volunteer to use your vehicle as a “trunk” or bring in goodies, please sign up. Goodies need to be store bought and brought to school by October 25th! You can get creative with goodies (bubbles, stickers, balls, etc.) not just candy. (However, your teachers love the chocolate!)

The weather is changing and we would like to go outside as much as possible. Please send your child to school with a jacket, hat, and gloves so we can enjoy the great outdoors!

If you have not turned in your paperwork, please do so ASAP!!! Sign up for REMIND so you don’t miss out on class announcements. I prefer to use REMIND for whole class announcements instead of paper notes; thanks for helping save the trees!

And lastly, the little germs are going around already. Take caution, wash hands a lot and keep those kiddos home if they are not feeling well. We do miss them when they are gone, but would rather love on them when they are healthy!

Red Light Green Light is a great indoor/outdoor game. We played this last month and then kids enjoyed it.
