

October 2017

Dear Families:

This month we will continue with apples, trees, and fall followed by a unit on Clifford the Big Red Dog. We will end with Bats, Pumpkins, and Monsters! These topics are approached with fun and as themes to help children develop skills and to support learning.

On October 31, CDC will engage in Halloween fun. Your child may wear a costume to school (or bring one to change into) and we will trick-or-treat at Park Place and trunk-or-treat in the CDC back parking lot. (Remember, no weapons!) There will be a sign-up sheet for family participation as donations of small treats or candy are needed as well as vehicles and parents willing to assist with the trunk-or-treat event. You are also welcome to join us and help with supervision on our outing. Visit with us if you have questions and watch for more information in the Weekly News on additional activities.

Please remember that CDC is a peanut free facility and that all snacks sent for child consumption must be commercially made. We are also allowed to use fresh fruit or combine ingredients in simple cooking activities. Let us know if you have some special ideas.

Al's Pals Lesson: "Be my friend", "Let's cooperate", "Different and the same", "Different is OK", "Stop! Think!", "Happy/Sad"

The Frog Team Teachers,
Janet, Meadow, and Brooke
