

December 2017

Dear Families:

Thank you for attending conferences and being active participants on your child's educational team. Your insights are helpful and we value your support.

December can be a busy time for families and an exciting time for children. We have fun things planned at CDC too! On December 13, Santa will make a quick visit. Students from Casper Classical Academy will share a musical concert and also spend time in the classrooms interacting with the children on December 14. Holiday attire may be worn on December 19 and we will have some special activities in the Frog Room. There will be a sign-up sheet on the bulletin board. You are welcome to join us for any of our activities! Children may also write a letter to Santa by December 18th and place them in a mailbox located in the CDC lobby area. Please make sure they are signed and note the Frog Room as their address so they can get a response back.

Our December themes will be concentrating on Gingerbread stories and things related to Nutcrackers to include dancing to parts of the famous ballet. (Remember, lesson plans are posted on the bulletin board.)

2018-2019 NCSD Kindergarten Online Enrollment: January 3 - 17, 2018

Register all incoming kindergartners and request schools at natronaschools.org.

Need help...contact Beth Millay in the NCSD Enrollment Office at 253-4550.

Al's Pals Lessons: "Blending of feelings", "Using kind words", and "Different things bother different people".

The Frog Team Teachers,
Janet, Meadow, and Brooke
