December 2017

Dear Families,

This month is going to fly by!

During our first week of school, we will be learning about the gingerbread man, making our own gingerbread man, and decorating our own gingerbread man cookie to finish out the week!

Next, we will spend our time celebrating the Holidays. We will be making presents for our parents, learn about reindeer, and experiment with different colored candy canes!

On December 12th, Santa will be making a special stop at The Child Development Center! The kitten kiddos will be able to meet Santa, tell him what they want for Christmas, and leave with an early Christmas present from Santa himself!

On December 14th, the Casper Classical Academy will visit the CDC. They will be sharing holiday cheer and singing holiday songs to the children. After the concert, the students will come into the classroom to spend time with the kiddos. They will read stories, color pictures, and help us decorate a cookie!

On December 19th, the last day before break, we will be having a pajama party! Send your child in their favorite pajamas that day! We will also have a special snack and spend part of our day watching a movie! I will send out a flyer with more information as the day gets closer.

Thank you for sharing your child with us!

Elizabeth, Sierra, and Serri

Special Announcements

Please remember to bring your child's coat to school. We try to go outside every day if the weather permits.
