

## January 2018

Dear Fish Families,

Happy New Year! We want to start the year by remembering the amazing support and encouragement you provided to the Fish Team teachers during the first half of the school year. The many kind words, thoughtful gestures, and donations of treats and snacks for the children is appreciated!

Our focus in January will be on transportation. Some of the vocabulary and topics will include airplane, car, truck, bus, train, bike, and boat. Your help in reinforcing new concepts and practicing counting, colors, shapes, letters, and reading with your child is beneficial in building and strengthening foundational pre-academic skills.

In order for our classroom to continue to provide a daily snack to your child, we are in desperate need of snack donations. Please feel free to ask a teacher if you need some helpful ideas! We appreciate you and thank you in advance for these donations.

If your child will be 5 years of age prior to September 15, 2018, he/she will be eligible for kindergarten registration. **Online Enrollment for the 2018-2019 NCSD Kindergarten is January 3 - 17, 2018.** Please go to **natronaschools.org** to complete registration. If you do not have a home computer you may access a computer at the Public Library, any public school or the District Enrollment office, 970 N. Glenn Rd. between 7:30 AM and 4:30 PM or contact a Family Service Coordinator or your child's teacher here at the Child Development Center. If you have specific questions about enrollment you may also contact the District Enrollment Office at 253-5450. **Kindergarten Transition Information Night:** Please watch for more information regarding the date for the Parent Information Night with NCSD special services. This will be a chance for you to ask questions about special education programs in the school district. A letter will be sent home soon with details.

The Fish Room Teachers,

Alyssa, Rachel, and Janice
