January 2018

Dear Families:

We want to start the year by remembering the amazing support and encouragement you provided to the Frog Team teachers during the first half of the school year. The many kind words, thoughtful gestures, and donations of treats and snacks for the children is appreciated!

Our focus in January will be on winter. Some of the vocabulary and topics will include snow, ice, cold weather, hot chocolate, and winter clothing. Your help in reinforcing new concepts and practicing counting, colors, shapes, letters, and reading with your child is beneficial in building and strengthening foundational pre-academic skills.

On Tuesday, January 9, your child may bring one toy or item to "show and tell" about to their peers. Please do not send anything that might be breakable or has a weapon. There will be a time in the day that they may play with and share their toy with their peers.

2018-2019 NCSD Kindergarten Online Enrollment: January 3 - 17, 2018
