

February 2018

Dear Fish Families,

February is sure to bring more fun activities and learning! Our themes will be Valentines/Hearts and an author study on Eric Carle. We will be having a 'show' your friends something you love day! Please have your child bring in something they love (food, toy, etc.) to show/share with the class. This will happen on **Tuesday, Feb. 13th**.

We will be having a Valentines & Vegetables party on Valentine's Day, which is **Wednesday, Feb. 14th**. On this day, we will be exchanging valentines for all who wish to participate as well as tasting and trying yummy vegetables. Your child may bring in valentines for the class. Please just write "To: My Friend" or leave it blank, as we will not be sending home a class list. There are 13 children in the morning class and 14 children in the afternoon class. You will find the sign-up sheet next to the sign-in board if you are able to bring in some veggies for our party.

Just a few reminders:

- Please check your child's cubby/ backpack DAILY! There are important papers that may need to be signed and returned.
- Book orders for the month of February will be due on or before **February 22nd**. Please use the classroom code **P3GGH** when ordering online at **scholastic.com/readingclub** and earn FREE books for our classroom!

The Fish Room Teachers,
Alyssa, Rachel, and Janice
