February 2018

Dear Parents/Guardians,

We have started our unit on the Winter Olympics. We have discussed the opening ceremonies and watched a video that showed the lighting of the Olympic torch. The kids made their own medals and torches. We have discussed the different sports that compete in the winter Olympics and the kids picked which sport they would compete in. We have so much more planned for the next week and will even play our own modified versions of Olympic sports.

In honor of the Olympics we will be doing a Red, White and Blue day where we want your child to come dressed in their most patriotic clothes on Thursday February 8th. We will send home a reminder next week.

Casper Children's Dental Clinic will be here on Thursday February 8th. If you would like your child to receive a free dental screening and have not returned the permission form, please do so by February 7th. If you need another form please let me know.

We will be exchanging Valentine's on February 14th. If you would like to make a valentine box with your child and bring it in that day please do so. We have 14 children in the morning class and 13 in the afternoon.

There will be no school on Monday February 19th for President's Day.

If you have any questions please don't hesitate to ask.

Thank you, Michole and Sara

Special Announcements

Just a few reminders:

Please bring weather appropriate clothes for your child to go outside in. You can bring boots, mittens, hats, and/or an extra pair of shoes.

Stay connected to CDC by providing your email address for classroom communication. We'll send you the class e-newsletter and preschool happenings, and we'll never share your email with anyone outside of CDC. Get plugged in!

Home Activities

To help your child learn:

- Watch previous Olympic events with your child and talk about what her/his favorite sport is to watch
- Go sledding or skiing to get outside
- Find stories about Olympic athletes
