

February 2018

Dear Families:

This month the Robins will be talking about shapes, especially the heart, since Valentine's Day is Wednesday, February 14th. The letters **Vv** and **Hh** will be introduced the week of February 5th. If you want to send valentines on the 14th, and this is completely up to you, the morning and the afternoon classes each have 14 students. Writing names on the valentines will not be necessary as your child will simply drop a card into each classmate's valentine bag (which students will make prior to our celebration). We will also have some refreshments and will play a couple of valentine games. If you wish to donate items for the party you may add your name to the sign-up sheet that will be posted by our class cubbies the week of February 5th. Of course, we welcome you to come and spend time with your child on this day as well! The morning class will begin its celebration at 10:00 and the afternoon will begin theirs at 2:00.

Future themes in the Robin Room will include Space and Planets, Castles and Dragons, and Dinosaurs. By the time we finish these fun studies spring will be here and we will talk about other topics such as weather, spring planting, and insects.

Sharing Day will be Thursday, February 15th. Please have your child bring one special something of your choice to show us and to talk about at circle.

Thanks for supporting our social skills lessons with Al's Pals. Some upcoming lessons include "May I Play, Too?", "Special Me", "Imaginary Gifts", and "Taking Care of Ourselves".

Picture Day is coming soon. The Robin Room times for both **SPRING** photos and **GRADUATION** photos are 10:00 and 2:00 on Thursday, March 1st. More information will follow in the next few weeks.

The classroom teachers value your support of and participation in your child's early education. Please let the classroom teacher know if you have any questions about or concerns for your child's program and progress.

Special Announcements

We sincerely appreciate your generosity in donating snack foods for our classroom. At this time we are in need of more snack foods and would gladly accept any items you would be able to provide.

Thanks in advance for your help.
The Robin Teachers

Home Activities

Celebrate each other and find an activity you all like to do together!
