February 2018

January has been a fun month, focusing on winter and dinosaurs. Our biggest concern has been keeping everyone healthy!

On February 14th, we will be doing Valentine activities and we are asking that you create a Valentine holder with your child. If you would like to make a Valentine for each child, we have attached a list of names in the Tiger room. We will not be having an actual party as those tend to disrupt the children's day but we will be incorporating fun activities into their day. If you would like to send treats they would absolutely be welcome. Please make sure that the treats are store bought due to health code requirements at CDC.

On February 28th CDC will be having picture day. All children will have their pictures taken and parents will have an opportunity to see the proofs of the pictures taken and have the choice to buy them. For children who will be moving on to Kindergarten in the fall, graduation pictures will also be taken. If you have questions about the process, please let us know!

We have attached a menu of the food items that the children will be getting in February for snack. Several parents have asked about the snack process and the options that we are providing for the Tiger children. Because snack time is such a wonderful opportunity for functional communication, we do provide snacks that are highly reinforcing. Please keep in mind that they are all getting very small portions because we want them to continue to request rather than requesting once and being done. An example of the portions we provide is one pop tart that is divided among 5 children. Our goal is ultimately to provide opportunities for the children to use functional communication and language and to practice self-help and social skills. Please talk with one of the staff if you have concerns about the snack routine! We are also open to any snack donations you feel might be a hit with our classroom!

Thank you for sharing your child with us and we hope you have a wonderful month of February!

Special Announcements

Tiger Room needs:

White Cardstock

Thermal laminating sheets for classroom laminator

Home Activities

Please create a valentine holder for your child's Valentines and bring to class on the 14th.

Important Dates

February 14th
