March

Families,

March is a busy month here in the Bee Room! We will be having our pictures taken Thursday the 1st . If you would like to order any books from Scholastic, orders will be placed on the 9th of the month in order to get here before Spring Break. On the 13th we will be going on an Egg Hunt over at Park Place. If you would like to join us, you are more than welcome! Also, there will be **no classes** the last week of March due to Spring Break.

Our themes this month include Dinosaurs and Spring. We will be conducting several interesting Science experiments including thawing dinosaurs, volcanos, candy rainbows and making rain. We will continue to work on counting, patterns, colors, and letters as well.

Our wonderful photographers will return to CDC on March 6th-8th from 8:30 to 4:00 in order for you to view and purchase the pictures. They will be in center, so please stop by in order to get your preschool photos!

Just a reminder, please place a change of clothes in your child's backpack. If your child is sent home in different clothes, please wash and return the clothes for future use. We are running low on clean, dry clothes for accidents. We are also running low on snacks. If you would like to donate snack items such as Veggie Straws, crackers, cheese sticks or fresh fruit, it would be greatly appreciated. Bee Room Teachers
