March 2018

Dear Families:

PICTURES: You may view and purchase school pictures Tuesday, Wednesday, and Thursday, March 6-8 from 8:30 – 4:00.

We are excited about our March themes. We will begin with Super Heroes followed by a unit on Weather. With each unit, we will introduce and practice letters of the alphabet, review colors, shapes, and have some counting and math activities. There will also be some science experiments as we discuss rainbows.

As the weather begins to improve, there will be more opportunities to play outdoors. When possible we will go outside as the children love the fresh air and time for movement.

Information regarding kindergarten school placements is expected soon and transition plans will be different for each child. Some spring annual IEP meetings will be held at CDC and some will take place in the public school setting. There will be time to discuss specific concerns related to your child when we meet for Parent Teacher Conferences at the end of April. Also, you are welcome to contact Janet with any questions.

CDC is offering a Sign Language class for families at the center on Wednesdays from 6:30-7:30 in the evening beginning April 4th and ending on May 23rd. Families will need to RSVP by March 22nd for the classes. If you need child care it will be available for ages 2-12 but you must RSVP for this as well. Classes are for ages 13-adult. This is a great opportunity!

AI's Pals Lessons: "Is it really medicine?", "Maybe I should stop and think", "What's the problem?", "Stop! Think! Brainstorm the problem".

The Frog Team Teachers,
Janet, Meadow, and Brooke
