Dear Parents/Guardians

3/6/18

Thank you for all your help this past week, it was busy and fun. The children looked great for picture day. You will be able to look at and pick out packages next week on Monday and Thursday. They will take payments at that time.

We had such a great time learning about Dr. Seuss the past two weeks. We are going to continue with this theme for one more week and then we will be focusing on our ART unit. We will examine various styles of art and artists. This is a great unit to examine some social studies as well as history. We will be gearing up and creating art pieces for our annual Kids Art a la Carte coming up in April!

While we finish up this last week of Dr. Seuss, it is a great time to talk with your child about rhyming words and simple sight words. Many of the children have mentioned owning and reading Dr. Seuss books at home. Thank you for your support in connecting school to home by talking about our themes and reading books that tie into them.

We are sending Hootie the Owl home in the students cubbies every Thursday for our Star Student. He will have a note tied to his leg describing what you and your child can bring and do for the following week. Thank you again for donating your time and snack to our students and classrooms.

Thanks again,

Shandra, Trina, and Bridget
