April 2018

## Dear Families,

Welcome back after a fantastic Spring Break! The rest of the school year is going to fly by!

Parent teacher conferences are coming up soon. We can't wait to talk about the skills your child has gained over the course of the school year! Conferences will be held on **Monday, April 23<sup>rd</sup>** and **Friday, April 27<sup>th</sup>**. There will be a sign-up sheet in the classroom for both AM and PM time slots. If you cannot attend on these days, please let us know and we can schedule another time that works for you. Parents of bus kiddos, Ms. Elizabeth will be in contact with you to set up a time that works best.

This month we will continue to learn about the Zoo. We will learn about the different habitats found in a zoo. We will learn more about the reptiles and amphibians that live in the zoo too!

We will finish up the month by learning about Dinosaurs! We will spend time learning the different names and types of dinosaurs that lived long ago! We will talk about fossils and have our own dinosaur dig in our sensory table!

**Thank you for sharing your child with us!**

**Elizabeth, Sierra and Serri**
