April

Dear Parents/Guardians,

We hope that you had a wonderful and restful Spring Break. Thank you to all of our parents who donated and volunteered for our egg hunt. It was such a success and the kids had a wonderful time.

We had a great time learning about our 5 senses. We explored each of the senses with a fun experiment and activity. The kids became experts on the 5 senses and had a great time participating in the activities.

We will be learning about farms for the next two weeks. We will discuss what farms do for us and the animals that live on a farm. We have a lot of fun activities planned that encompass farms and we are excited to start.

We are excited to share with you all the progress your child has made this year during parent teacher conferences. They will be April 23rd and 27th. The sign-up sheets are on the door. If these dates or times do not work for you please let us know and we can schedule you another time. There will be no school on Monday April 23rd.

Thank you, Michole and Sara
