MAY

Dear Parents:

It's hard to believe it is already the last month of school! This year has flown by! Thank you all so very much for attending Parent/Teacher conferences and for filling out the questionnaire and survey. If you have not filled out the questionnaire we sent home, please fill it out and return it to one of us as soon as possible. Your input is very important to us! This has been a very busy, but wonderful year with your child. We have very much enjoyed watching your child grow and develop in so many different areas.

We always plan to go outside as long as the playground is not wet. The children LOVE our outside time!! Please remember to send a jacket or coat with your child, as some of our Wyoming spring mornings can be a little chilly.

Thank you so much for sharing your child with us this year! We genuinely enjoy our time with each and every one of them and can't help but be saddened by the end of the year quickly approaching. The last day of school is Thursday, May 25th!

We wish you all a wonderful summer!
