

Dear Parents/Guardians

5/1/17

Thanks to all the parents who signed up and came to parent teacher conferences on Monday and Friday! It has been great to see all the progress each child has made over this past year. If you missed parent teacher conferences or there was not a sign up time that worked for you, please contact Miss Shandra at 307-253-3097 and we will set up a time.

We are going to continue to learn about plants. We have been discussing the various parts that make up most plants. The students will pick out and plant some seeds to see what will happen. We will chart and talk about different rates that various seeds grow at. Please make sure to take a look around the classroom at all our little creatures. Our butterflies and ladybugs have recently made an appearance.

The end of the year is approaching quickly and our Celebration of Growth Ceremony (Graduation) is schedule for May 25th at the Summit Village Center at 10:30 for the morning class and 2:30 for the afternoon classroom. If you have any question please stop by or call Miss Shandra.

Thanks again,
Shandra, Bridget, Nicole
