

MAY

Dear Families:

WOW!! We made it through April and we only have four weeks left to go. Can you believe it??? We had a fantastic month learning about spring, bunnies, and recycling. We had a wonderful time at the Recycle Center and making crafts with recycled items. The highlight of April was the trip to the Fire Station. Special thanks go out to our parent volunteers. Thank you, Thank you!! We have much more fun to come this month.

Themes this month: Farms **Shape/Color:** Oval and Purple

This month we are planning to go to the Planetarium on May 16th, the cost is \$2.00 per person attending. We will have a celebration of growth ceremony on May 23rd only for children going to Kindergarten. We are having a pizza/movie/jammie day on the 24th. The last day of school (25th) we will have a fun outside/water day if weather permits. We would love to have parent volunteers for our trip to the Planetarium and there will be a sign-up sheet posted to bring a pizza item (Please bring it in its original package from the store). There will be more information to come.

If you have moved or changed your phone number this year, please fill out a change of address form with the front desk or ask Heather for one. Information pertaining to the fall school year will be mailed in late August.

Please remember that we go outside for about 20 minutes daily. Please apply sunscreen to your child before he/she comes to school as we are NOT able to apply sunscreen due to DFS regulations.

Thank you for sharing your child with us,

Heather, Morgan and Rosie

If you have any questions or concerns please call the classroom 995-1169 or leave a message for Heather at 995-1134. ☺
