

May 2017

Dear Families:

The end of the year is here already! It has been a busy learning year but we have had fun along the way. We believe all of our students have grown from their first days in the Robin Room.

Our **Celebration of Growth** is Thursday, May 25<sup>th</sup>. Morning class will celebrate at 9:00 and afternoon class will celebrate at 1:00. The program will be taking place in Room 133 at the end of the south hallway in our original building. Refreshments will be served outside if the weather permits or in our classroom if the weather doesn't cooperate. We will hope for a great weather day!

**Class is in session all of the week starting May 22<sup>nd</sup>. The last day of classes will be Thursday, May 25<sup>th</sup>.**

We hope you and your child will have time to spend together this summer and that you will find some local activities in which your child will be interested and can be involved.

Thanks for supporting your child's early education. It is proven that these early years are the most important for your child's later development. Best wishes to each of you! **The Robin Teachers**

## Special Announcements

If you are looking for summer activities for your child please consider City of Casper Recreation opportunities, the YMCA, or Boys and Girls Club.

If your child is to attend the CDC summer program you have already been given your child's schedule and room assignment.

## Home Activities

Museum trips-look into the City's special deal for summer visits to the museums in Casper

Summer Reading at the Library is fun and maintains literacy skills that will be important for beginning school in the fall.

**HAPPY SUMMER!**
