Families,

## May 2017

For the last few weeks of school, our themes will be: Dinosaurs and Space! On May 17, 2017 at 9:30 a.m. and 1:30 p.m. we will be going on a field trip to the Casper Planetarium. Be looking for a permission slip to sign and bring back to school. There is also a \$2 dollar admission fee per child. You may turn the money in to the classroom teachers. If this fee is a hardship, please let us know. We would love to have volunteers meet us at the Planetarium! If you can come, let us know.

We will have our **End of the Year Celebration and Ceremony on Monday, May 22, 2017**. We will have a short ceremony in room 133 in the old part of the building and an activity (weather providing) on the playground shortly after. The times will be 10:00 a.m. and 2:00 p.m. **Please bring your child at the normal times and we will walk together as a class for a grand entrance.** This celebration will be approximately between 1/2 hour and 1 hour. There will be preschool class the next few days. The official last day of preschool is May 25, 2017!

We will be spending more time outside as the weather (hopefully) becomes nicer. If you would like sun block on your child, please put it on them before school. Mornings can still be cool so please have your child bring a jacket everyday.

Have a safe and exciting summer! Thanks for sharing your children with us this year.  
Rachael and Valerie

### Special Announcements

Thanks to all of our sponsors and those who attended the Art a la Carte fund raiser. It was a very successful night for our center.

### Home Activities

If possible, give your child supervised computer time; it will help them as they continue in school.

Practice letter and number recognition during daily activities. Such as counting stairs, pointing out letters in signs, etc.

### Important Dates
