

May 2017

It's hard to believe that we are already on our last month of school! This year has truly flown by! A huge thank you to the parents who were able to come for Parent Teacher conferences! It's always so nice to be able to share with you the awesome progress your child has made! During the month of May we will be having fun with Minion and Super Hero themes. On May 25th, the last day of school, we will be having a Celebration of Growth for children who will be going on to Kindergarten. Please keep an eye out for more information to come about the celebration!

We have passed out information about the summer session. If you did not get information about it or have any questions, please let us know!

As the weather gets warmer, we would like to go outside more often. Please ensure that your child is dressed for this crazy Wyoming weather!

Thank you for sharing your child with us and we hope you have a wonderful month of May!
