Dear Parents/Guardians,

November flew by so fast, but we had a lot of fun packed into the month. We just finished our Mo Willems unit and had a blast at our hotdog party! The kids loved reading the variety of books Mo Willems has written and every one of them is funny. If you haven't read any of them, please go to the library and check some out. Thank you to all of the families who came to join us for our family feast as well as parent teacher conferences. We couldn't do what we do without your support! As a reminder, if you have not turned in your surveys that were sent home before parent teacher conferences, please get them turned in ASAP.

We have a lot of fun planned for this month. We will have Santa come and visit us on Thursday December 14th. He will be here at 9:00 and 1:00. If you would like to get a picture of your child with Santa you are welcome to stay and join us for this event.

Scholastic orders are due Friday December 8th. I want to submit so they will be here by the time we leave for Christmas Break. If you wanted these to be a surprise for Christmas please let me know and I will give them to you covertly.

We will be having a pajama party on Monday December 18th, please bring your child in their jammies that day. We will also be having a holiday wear day on Tuesday December 19th. Please dress your child in Christmas attire that day!

Thank you, Michole and Sara

Special Announcements

Just a few reminders:

Please bring weather appropriate clothes for your child to go outside in. You can bring boots, mittens, hats, and/or an extra pair of shoes.

Stay connected to CDC by providing your email address for classroom communication. We'll send you the class e-newsletter and preschool happenings, and we'll never share your email with anyone outside of CDC. Get plugged in!

Home Activities

To help your child learn:

- **Talk together about the change in the weather as winter is quickly approaching.**
- **Share ideas about what your family enjoys doing in the snow.**
- **Help your child trace their names, always starting at the top and moving down as well as left to right.**
