

December 2017

Thank you all for attending Parent Teacher Conference. It was nice having time to talk with you about the growth your child has made. Please be thinking about your top three school choices for Kindergarten Registration, next month. If you have any questions or concerns, please visit with me! You may also wish to call a school and schedule a walk through if the open house hours don't work for you. Please help me welcome our new assistant teacher, Samantha, to the Bee classroom. We are looking forward to working with her!

December is a very busy month for everyone! In class, we will be learning about Arctic Animals and Winter. Santa will be visiting CDC and we will have a concert performance from Casper Classical Academy. Our LAST DAY on DECEMBER 19th will be pajama day! If you don't want your child to wear PJ's, come in your festive wear! We will be watching a movie that day as well. Our winter break is from Dec. 20th to January 2nd, this means our center will be closed and there will be no school.

During these cold days ahead, please dress your child warmly with coats, hats, mittens and boots. If the playground equipment is dry, we will be playing outside as it is vital for our children to be able to run and play. If we are unable to play outside, we will be joining our friends in the Big Room or playing an organized motor activity in the hallway. Please note that book orders will be due on/before December 7th in order to receive them before break. Please feel free to order online as well, using the class code P7QHR.

We hope that you have a wonderful holiday surrounded by friends and family. We will see you on January 3rd!

Lauren, Mandi & Tamara
