December 2017

These few days of school will be fast and fun packed!

Our first week of school, we will continue with the Gingerbread Man... we actually will get to meet the Gingerbread Girl!!! Who knew there were so many stories about Gingerbread Cookies!?! We will be making presents for our parents, searching for the Gingerbread Cookie loose in the school, and making a Gingerbread Cookie self portrait.

Next, we will introduce Snow and Snowmen. We will read about snow, make a snow man from a doily and play with snowflake slime! They will LOVE it!

On the 12th of December, Santa will make a special stop at CDC! We will get to meet Santa, tell him what we would like for Christmas and get an early present from him!

The 14th will bring us MORE visitors. Casper Classical Academy will visit the entire center and present us with some holiday music! A Concert!! How exciting! After the concert, the teenagers will come to the classroom to read stories, color pictures, and help us frost a cookie for our snack. Yum!!

Our final day of school this month will be Family Focused! We want you to come and spend the entire day with us! Come join us for play, learning, cocoa, and cookies! Send the kiddos in Holiday Festive wear that day! I will send a flyer and letter as the day get closer!!
