January 2018

Dear Families,

Happy New Years! We hope that everyone had a wonderful break with family and friends. We are back in action and ready to learn!

This month there are three different themes that we will be focusing on. We are starting the New Year off learning about snowmen. We will then move onto Super Heroes followed by Outer Space. We have a lot of fun activities planned in the classroom!

Cold and flu season is underway and hitting our Kitten class! We will be talking about how to wash hands, blow noses, and cough into the elbow during circle time. Teaching our kiddos these little things will hopefully help the sickness and germs from spreading!

During the winter months, when weather allows, we try to go outside as much as we can. Please send your kiddo to school with appropriate outside gear such as a jacket, hat, and gloves. Thanks!

There is **no school on January 15th** for Equality Day.

Thank you for sharing your child with us,

Elizabeth, Sierra, and Serri

Special Announcements

Our color and shape this month is blue and square. Look for these shapes/colors around the house and in the community.

Home Activities

Read to your child

Practice drawing squares and first letter of your kiddos name
