

May 2018

Greetings Dragonfly Families,

**It's the last month of school.** Hasn't it gone by fast???

**DINOSAURS** will be peeking out of our room soon. **SEEDS** we planted during our FARM unit will be peeking out of the soil soon. **Caterpillars** that are in our room RIGHT NOW will be going in and then peeking out of their **chrysalis** soon... but they sure won't look the same! Dragonfly preschoolers don't look the same as they did when they first popped in to our room in the fall either... and as they sprout wings to fly away from Dragonfly room we'll **celebrate** their changes and the butterflies changes too. More information on butterfly release to come.

**GRADUATION:** Dragonflies who are **flying off to kindergarten** will have a ceremony here at CDC on Wednesday, May 16. Morning class ceremony is from 9-10:00 and afternoon class ceremony is from 1-2:00. Only children going to kindergarten will participate in the kindergarten ceremony. Bring children to preschool as usual that day. Family members of those going to kindergarten can come for the ceremony at the designated times above. We are hoping to have a little snack outside on the playground afterwards if weather permits. Preschoolers who are joining CDC for another year can look forward to their ceremony next year.

**CONFERENCES** were very enjoyable and what a lot of progress to talk about! Thank you for attending! Please visit with us if you have questions, comments or concerns.
