

May 2018

Dear Families:

Wow! This is the last month of class in the regular school year. Thank you for sharing your children with the Frog Room! We are impressed with the progress and growth the children have shown over the past months. We appreciate the support you have given to us both at school and to your children's development through your efforts at home. It has been a great year.

On Thursday, May 17th we will have a graduation program to celebrate student growth. We will recognize the children transitioning to kindergarten and those who are going to transition into other classrooms at CDC next year. Join us for the short ceremony and a time for socializing with other Frog Room families. Remember, the children will return for class again on May 21st and 22nd!

Our theme for the month will focus on spring to include plants and insects. We will also continue to work on foundational pre-academic math and literacy skills along with the behavior expectations found in school settings.

We will have one more **SHARING DAY on Tuesday, May 8th** so that your child can bring something to school and show their friends.

AI's Pals Lessons: "I'm a problem solver" and "Putting it all together (review)"

The Frog Team Teachers,
Janet, Meadow, and Tamara

Special Announcements

The last day of school is Tuesday, May 22nd. Have a wonderful summer!

Home Activities

Read, play outside, use sidewalk chalk, be creative, visit Casper Museums, take a hike, go on a picnic...

Enjoy summer!

Important Dates
