

May 2018

I cannot believe we have only 10 days left of school this year! I have so enjoyed having you kiddo in class and the opportunity to meet all of you! You will be missed! Please wave to us in the hall next year as you move onto your new classroom!

We are going to finish out the year with all things Spring! Farm, caterpillars, and flowers will keep us busy and entertained as we wind down our amazing year. Making our own butter, patterning caterpillars, and painting flowers with recycled materials will be some of the many activities we will complete.

We will have one final book order for the year. Please have them turned in by May 6th so I can guarantee delivery by the end of school.

Also, more details will come regarding the last day of school, May 22nd. We will be having a celebration but I do not have all the details worked out yet. I will send a note home regarding the events soon!

As the weather allows, we will try to go outside. Please send your child with a coat or jacket each day, and as we are now having more consistent warmer weather, please put sunscreen on your child. Our regulations prevent us from applying the lotion, so we need you to do that prior to school.

Thank you,

Miss Shannon and Miss Corey and Miss Riley

Special Announcements

This Month's Themes:

- May 1: Farm
- May 8: Spring Flowers
- May 15: Eric Carle's Hungry Caterpillar
- May 22: Last Day of School

Home Activities

Go Outside! Get out and experience the wonderful Wyoming weather (when it's not snowing!). Spring is a great time to talk about plants, smells, weather, etc! It is also a great time to work on balance and coordination by playing at your local playground!

After play, have your child help you clean up their toys. This helps teach responsibility!

Important Dates

May 22: Last day of School
