Dear Families,

It's already May! There are three more weeks of school left, so please send your Panda as much as possible. If they are sick, please remember keep them home to keep them at rest and to keep germs from spreading. Hopefully, we will get outside to play on the playground almost daily, so make sure your child has a light jacket to shield them from the chilly wind. I will hold Parent/Teacher conferences for those I did not meet with on Friday, May 4<sup>th</sup>. Please check your time and call me if you need to make changes or have any questions. We are having Kindergarten Graduation for the Pandas who are headed to Kindergarten in the fall on Tuesday, May 15<sup>th</sup>. Graduation ceremony start times are 10 am and 2 pm. All Pandas will celebrate their growth with a party after the ceremony. Parents of graduating students are welcome to stay and play, too. We are ending the year with water play, so I will send a note home with more information as we approach the 21<sup>st</sup>.
