May 2018

Dear Parents/Guardians,

How did we get to the last month of school so quickly? We have learned so much and had some very fun units this year. Thank you so much for all the support you have given us this year.

We wrapped up our unit on the rainforest this last week. We had a wonderful time discussing what you can find in a rainforest as well as the animals that live there. The kids had a great time making and playing in our jungle slime. We made a cloud jar and watched as it rained from our shaving cream cloud. We will be starting our unit on Spring this next week. We will discuss what happens during this season. We have pet caterpillars we will watch turn into butterflies. We also have a praying mantis pod that we will watch as it hatches. We will talk a lot about life cycles of butterflies.

We would like to take a walk to McMurry Park on Thursday May 17th. (Weather permitting) We will walk to the park, play and then walk back. There will be a sign-up sheet at the front desk for water and snack items. This is a very fun activity and we would love to have as many parents join us as possible. The kids love to have their family members join us for these types of activities. If you are interested in coming please let a teacher know.

For those who have children going to kindergarten next year, we will be having a graduation ceremony on Monday May 21st. We will be using the Summit Elementary stage and have a wonderful program planned. The morning class will take place at 10:30 and the afternoon class at 2:30. Please plan to attend if your child will be going to kindergarten in the Fall.

Thank you, Michole and Sara

Special Announcements

Just a few reminders:

Please bring weather appropriate clothes for your child to go outside in. You can bring boots, mittens, hats, and/or an extra pair of shoes.

Stay connected to CDC by providing your email address for classroom communication. We'll send you the class e-newsletter and preschool happenings, and we'll never share your email with anyone outside of CDC. Get plugged in!

Home Activities

To help your child learn:

- Play hopscotch outside and practice number identification and counting
- Go on a bug hunt and see how many different bugs you can find
- Go for a walk to find signs of Spring

Important Dates

- [Walk to McMurry Park- Thursday May 17th](#)
- [Preschool Graduation- Monday May 21st](#)

CDC CORE VALUES

1. Live Each Day with Courage
2. Take Pride in Your Work
3. Always Finish What You Start
4. Do What Has to Be Done
5. Be Tough, But Fair
6. When You Make a Promise, Keep It
7. Ride for the Brand
8. Talk Less and Say More
9. Remember That Some Things Aren't For Sale
10. Know Where to Draw the Line
