## May 2018

It's hard to believe that we are already on our last month of school! This year has truly flown by! A huge thank you to the parents who were able to come for Parent Teacher conferences! It's always so nice to be able to share with you the awesome progress your child has made! Please remember to return the surveys that were passed out last week. We would also like to thank all of the parents who participated in the weekly contests during our Autism Awareness month. We hope you enjoyed it!

During the month of May we will be having fun with Bugs and Super Hero themes. Our last day of school will be on the 22<sup>nd</sup> of May and the summer session begins on June 18<sup>th</sup>. We have included information about the summer session. If you have any questions, please let us know!

As the weather gets warmer, we would like to go outside more often. Please ensure that your child is dressed for this crazy Wyoming weather! On those warm days, we are asking that parents put sunscreen on their child before arriving to school if you feel that it is necessary. We hope to spend at least 20 minutes outside daily.

Thank you for sharing your child with us and we hope you have a wonderful month of May!
